

You (Am) have my heart,  
and we'll never be (C) worlds apart  
Maybe in (G) magazines,  
but you'll still (F) be my star  
Baby 'cause (Am) in the dark,  
you can't see (C) shiny cars  
And that's when you (G) need me there  
With you I'll (F) always share  
Because

#### CHORUS

(F) When the sun shines,  
we'll shine (C) together  
Told you I'll be here (G) forever  
Said I'll always be a (Am) friend  
Took an oath, I'ma stick it out till the (F) end  
Now that it's raining more than (C) ever  
Know that we'll still have (G) each other  
You can stand under my (Am) umbrella  
You can stand under my (F) umbrella  
Ella ella, (C) eh eh eh  
Under my (G) umbrella  
Ella ella, (Am) eh eh eh  
Under my (F) umbrella  
Ella ella, (C) eh eh eh  
Under my (G) umbrella  
Ella ella, (Am) eh eh eh, eh eh eh

(Am) These fancy things,  
will never come (C) in between  
You're part of my (G) entity,  
here for (F) infinity  
When the war has (Am) took it's part  
When the world has (C) dealt it's cards  
If the (G) hand is hard,  
together we'll (F) mend your heart  
Because

#### CHORUS

(F) You can run into my arms  
(C) It's okay don't be alarmed  
(G) Come (G) here (F) to me  
(F) So go on and let the rain pour  
(C) I'll be all you need and (G) more (F)  
Because

#### CHORUS

(Am) It's raining  
Ooh baby it's (C) raining  
Baby come (G) here (F) to me  
(Am) It's raining  
Ooh baby it's (C) raining

You can always come (G) here (F) to me

(G) Come here (F) to me
