G     Eb7   A7           D7
I'm in danger most all the time
 G            G7
I never killed, I never stole

But I done, done something got myself in a hole
G      Eb7    A7                  D7
Hey there stranger my conscience hurts me so
G                       E7

 G                    G7        E7
I don't know which one I like the best
 A7                   D7
I seem to like 'em both the same
G                        G7
I got two sweet mamas, gotta keep them apart
       C                   C#dim
'Cause one is my livin' and the other one's my heart
G                 E7
I got a mama down in New Orleans
 A7          D7   G     E7
Another mama up in Maine, I said
 A7           D7      G
