## **Brazil**

Be irut

① = A ③ = C 2 = E 4 = G

Gm

Bb

Riff

Gm

Brazil, where hearts were entertaining June

We stood beneath an amber moon

Gm

And softly murmured, "Someday soon, someday"

We kissed, we kissed

And clung together

Then the morning found me miles away

Gm

Tomorrow was another day

Now, when twilight dims the sky above

Recalling thrills of our love

There's one thing I'm certain of

Gm F

Gm F

I will return to old Brazil
