

Such Great Heights

The Postal Service

① = A ③ = C
② = E ④ = G

VERSE 1

F Am
I am thinking it's a sign
 Gm
That the freckles in our eyes are mirror images
 Bb C F
And when we kiss they're perfectly aligned.
 Am
And I have to speculate
 Gm Bb
That God himself did make us into corresponding shapes
 Bb7M F
Like puzzle pieces from the clay
 Am
And true it may seem like a stretch
 Gm Bb
But it's thoughts like this that catch my troubled head when you're away
 C F
When I am missing you to death
 Am
When you are out there on the road
 Gm
For several weeks of shows
 Bb Bb7M
And when you scan the radio I hope this song will guide you home

CHORUS

F C
They will see us waving from such great heights
 Bb Bb7M
"Come down now," they'll say
 F C
But everything looks perfect from far away
 Bb Bb7M
"Come down now," but we'll stay

VERSE 2

F Am
I've tried my best to leave
Gm
This all on your machine but the persistent beat
Bb C
It sounded thin upon listening
F Am
And that frankly will not fly
Gm Bb
You'll hear the shrillest highs and lowest lows with the windows down
Bb7M
When this is guiding you home
