① = A ③ = C
② = E ④ = G

INTRO

D A E G x2 D

VERSE 1

 D A G
12345678 spots on my face, too much acne to embrace
 D A G
The person behind them
D A G
Zits on my back, with heads bright white, scarlet and black
 D A G
In much too much an awkward place to pop them
D A G
Pimples on my chest, probably there because I'm stressed
D A G
about the people talking behind my back
 D A G
About the spots on my face the ones I wish I could erase
 D A G
Just like the so called friends that like to tease me about them

CHORUS

D E G A
Clearasil and Freederm, sitting in my bathroom
 D E G A
The spots on my face can confirm that they don't really work
D E G A
Proactiv solution deserves an execution
 D E G A
For being an ablu-tion that does nothing but smirk at me
 G
'Cause I'm an acne ridden teen

D A E G x2 D

VERSE 2

 D A G
12345678 countless times I've tried and tried but my skin just ends up all dry
 D A G
And I'm left wanting to stay inside
 D A G
But then one day I said, "Charlie, it's not as bad as it could be
 D A G
They're only spots it's not like you've died."
 D A G
Be a man, be who you are but try not to pop them in case they scar
 D A G
Even though squeezing them is fun
 D A G
Understand at the end of the day to put your hands down and say okay
 D A G
Get out of the bathroom, and lie out in the sun (because I heard that helps)

CHORUS

MIDDLE

 A
But I won't let that define me
 G A
Because the people that mind don't matter
 G A
And the people that matter don't mind
 G A
So when all that puss goes splatter
 G A
Wipe it off your mirror, and wipe it from your mind
 D A G
You could try and dairy free diet
 D A G
And drink 8 cups of water a day
 D A G
But in the end your acne will still run riot
 D A G
'Cause the hormones that cause them, just won't go away

MOUTH TRUMPET SOLO

D A E G rpt

CHORUS

 G A G
Cause I'm an acne ridden, somewhat smelly, kind of weird
 A G A' D
But generally AOK teen
