

First Dance

Never Shout Never

VERSE 1

F C
It started with your hips, so I moved up to your lips
B \flat
To take a chance, ask for a dance
C F
Cause you're the cutest thing on this side of the world
C
We call our homes, yet I feel so all alone
B \flat
Half of the time we gotta live with what we got
C
And I got nothing so agree to take my hand
F
so we can conjure up with something rad

CHORUS

B \flat ' F
And you could move on with your whole life
C
Just like you do
B \flat
Just like you shooby do do do
B \flat ' F
But you could make everything alright
C
And I want you to
B \flat F
Because ever since the first dance all I thought about was loving on you

VERSE 2

F C
So I moved to the dance floor with instincts and nothing more
Bb
I had ants in my pants, I did the boogie dance
C
And there was nothing to do but laugh
F C
So I took another leap, hoping to sweep you off your feet
Bb
I said, "Baby maybe we could bust this joint
C
And see if my place is open to chill."

CHORUS

INSTRUMENTAL

Bb' F C Bb
Bb' F C Bb
