## Garfunkel and Oates

### INTRO

D G D G

### VERSE 1

D G D G  
Everyone knows marijuana's dangerous and medical pot is really strong  
D G D  
That's why it's so hard in California to get your weed card  
G D G D G  
Unless something's really wrong  
D G D G  
Gonna pay a visit to my doctor, it's a long shot but I gotta try  
D G D G  
She hands me a list of all the ailments I can have to qualify  
A  
Can't believe what I am reading this is just what I've been needing  
D G D G  
A government supply to get legally high

### CHORUS

Em A D  
Weed card, that's what I need  
G Em A  
Hardly ever okay always  
Bm F#m  
But it's not an addiction  
G A D G D G  
Cause my doctor gave me a prescription
