VERSE 1

```
               F
Well we were born within an hour of each other
              F
Our mothers said we could be sister and brother
             Bb                        Bb
Your name is Deborah, Deborah, it never suited you
          F
And they said that when we grew up
            F
We'd get married and never split up
            Bb                   Bb
Oh we never did, although I often thought of it
```

BRIDGE

```
                  Cm
Oh Deborah, do you recall?
                     Cm
Your house was very small
                   Cm
With woodchip on the wall
                       Cm
And when I came round to call
                    F
You didn't notice me at all (And I said)
```

CHORUS

Bb
Let's all meet up in the year 2000
Dm   Gm
Won't it be strange when we're all fully grown?
                              Cm   Fsus4   F
Be there 2 o'clock by the fountain down the road
Bb
I never knew that you'd get married
Dm   Gm
I would be living down here on my own
                              Cm   Fsus4 F
On that damp and lonely Thursday years ago

VERSE 2

                      F
You were the first girl in school to get breasts
          F
Martin said that you were the best
                      Bb
Oh the boys all loved you, but I was a mess
          Bb
I had to watch 'em try to get you undressed
              F
We were friends that was as far as it went
          F
I used to walk you home sometimes but it meant
                              Bb   Bb
Oh it meant nothing to you, 'cause you were so popular
