G D  
Don't look back into the sun

Now you know that the time has come  
C D G D  
And they said that it'd never come for you  
G D  
Oh, my friend you haven't changed  
Em D  
You're looking rough and living strange  
C D G D  
And I know the you've got a taste for it too

### CHORUS

C G  
They'll never forgive you but they won't let you go  
C D  
No, she'll never forgive you but she wont let you go, oh no

## VERSE 2

G D  
Don't look back into the sun  
Em D  
You cast your pearls but you're on the run  
C D G D  
I know the lies you said who did you save?  
G D  
But when they played that song at the Death Disco

It started fast but it ends so slow  
C D G D  
And all the time just reminded me of you
