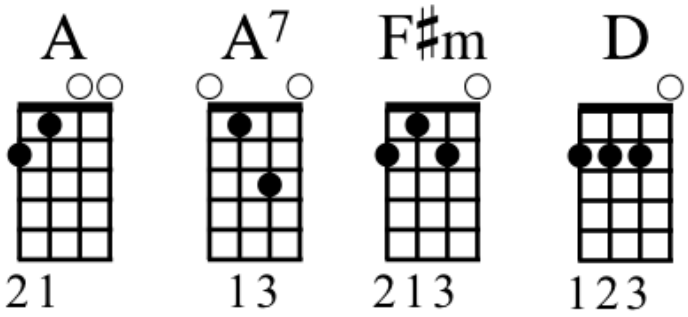
Lift

(1996 Version)

Radiohead



Capo 2nd fret

INTRO

A

VERSE 1

A A7 F#m D
This is the place, it down, you're safe now
A A7 F#m D
You've been stuck in a lift, we've been trying to reach you, Thom
A A7 F#m D
This is the place, it won't hurt, it will not hurt you

CHORUS

A
A smell of recognition, a face you barely loved
A A7 F#m D
Empty all your pockets, 'cos it's time to go home

VERSE 2

A A7 F#m D
This is the place, remember me, on your face you always see
A A7 F#m D
You've been stuck in a lift, in the belly of a whale at the bottom of the oce - an

CHORUS x2

OUTRO

A A7 F#m D
Today is the first day of the rest of your days
A
So lighten up squirt
