VERSE 1

C G
I hope that our few remaining friends
F C
Give up on trying to save us
C G
I hope we come up with a fail-safe plot
F C
To piss off the dumb few that forgave us
C G
I hope the fences we mended
F G
Fall down beneath their own weight
C Am
And I hope we hang on past the last exit
F G
I hope it's already too late

PRE-CHORUS

C (Cmaj7)
And I hope the junkyard a few blocks from here
Am (Am7)
Someday burns down
F
And I hope the rising black smoke carries me far away
G F
And I never come back to this town again

CHORUS

G C
In my life, I hope I lie
F
And tell everyone you were a good wife
C G C
And I hope you die, I hope we both die

VERSE 2

C G
I hope I cut myself shaving tomorrow
F C
I hope it bleeds all day long
C G
Our friends say it's darkest before the sun rises
F C
We're pretty sure they're all wrong
C G
I hope it stays dark forever
F G
I hope the worst isn't over
C Am
And I hope you blink before I do
F G
And I hope I never get sober

PRE-CHORUS

C (Cmaj7)
And I hope when you think of me years down the line
Am (Am7)
You can't find one good thing to say
F
And I'd hope that if I found the strength to walk out
G
You'd stay the hell out of my way

CHORUS

F G
I am drowning, there is no sign of land
C F
You are coming down with me, hand in unlovable hand
C G C
And I hope you die, I hope we both die
