

# Someone You Loved

Lewis Capaldi

Capo 1st fret

## INTRO

C G Am F

## VERSE 1

C G Am F  
I'm going under, and this time, I fear there's no one to save me  
C G Am  
This all or nothing really got a way of driving me crazy  
F C G  
I need somebody to heal, somebody to know,  
Am F  
Somebody to have, somebody to hold  
C G  
It's easy to say, but it's never the same  
Am F  
I guess I kinda liked the way you numbed all the pain

## CHORUS

C  
Now the day bleeds into nightfall  
G Am  
And you're not here to get me through it all  
F C  
I let my guard down and then you pulled the rug  
G Am F  
I was getting kinda used to being someone you loved

## VERSE 2

C G Am F  
I'm going under, and this time, I fear there's no one to turn to  
C G Am  
This all or nothing way of loving got me sleeping without you  
F C G  
Now, I need somebody to know, somebody to heal  
Am F  
Somebody to have just to know how it feels  
C G  
It's easy to say, but it's never the same  
Am F  
I guess I kinda like the way you help me escape

## CHORUS

### MIDDLE

Dm Am G  
And I tend to close my eyes when it hurts sometimes  
Am Dm  
I fall into your arms  
Am G  
I'll be safe in your sound till I come back around

## CHORUS x2

### OUTRO

C  
I let my guard down and then you pulled the rug  
G Am F  
I was getting kinda used to being someone you loved
