Never Shout Never!

① = A ③ = C
② = E ④ = G

VERSE 1

C
I'm a real big fan of yours
G
But I'm quite the joke to you
F
But girl it wasn't a joke when you
C G
Kissed me in your room and replied "I love you too"

C
I'm a little bit insecure
G
From all of this mistreatment
F
But see I'm working it out
C G
But working it out is so damn hard when you're alone

CHORUS

F
Sha da da da da da da da da
F
Da da da da da da da da
C G
And I am running out of words
F C G
To say to you, wondering why I'm wasting my time
C G
Thinking back and wondering why
F C G
I'm such a fool for loving you

VERSE 2

C
And I got to the point where all I wanted
G
Was for us to make up but it's not that easy
F
Cause girl you move on so quickly
C G
Keeping a boy like me at the edge of his seat

C
And I know everything you do
G
Is all about your perfect image
F
Well I hope this song
C G
It helps your image

CHORUS

RAP BREAK!

C G F C G

C
And I was one who thought I was the strong one
G
Well you proved me wrong now I'm singing along to every song
On the radio I don't wanna go,
Come on baby tell me something I wanna know
F
And I don't wanna see what's on my mind
C G
Because this lack of motivation is taking over my time and I'm sick of trying

OUTRO

C G
And I am running out of words
F C G
To say to you, wondering why I'm wasting my time
C G
Thinking back and wondering why
F C G C
I'm such a fool for loving you
